

Medina Healthcare

An exceptional two site practice in Newport who are dedicated to providing a first class service to its patient list, Medina Healthcare have a prestigious reputation across the island for collaborative working and putting their patients at the forefront of their service. With plans to become a training practice in the near future, it is an exciting time to consider Medina Healthcare for Salaried GP work.

About the Local Area of Newport

Newport is the principal town of the Isle of Wight, which is located in the centre of the Island and often referred to as its capital.

This historic town centres on two idyllic squares with Georgian and Victorian architecture surrounding them, with the town's quay a short distance away.

The Isle of Wight Festival takes place every June in Newport, which runs adjacent to the River Medina.

Newport offers plenty of things to do and is a great place for shopping with a number of well-known chain stores mixing with smaller independent shops across the two main squares, Newport High Street and the side streets.

As well as being famous across the island for hosting the annual music festival, it is an idyllic place to both live and work and compared too many other areas of the United Kingdom, extremely affordable.

Practice Profile

With a diverse patient list split across 4 GP's, 3 ANP's, 1 lead nurse, 2 practice nurses and 2 HCA's, Medina Healthcare are seeking a Salaried GP for 6-8 sessions per week.

There is advanced talks in progress for a practice merger with a training practice on the Island in the not so distant future, meaning collaborative working and the opportunity to become part of a larger clinical team a definite possibility.

With a traditional Salaried GP job on offer or a Salaried to Partner position with no mass buy in also an option, the practice are committed to flexible working for all their clinical staff.

With a mixed demographic of patients across both sites, Medina is well served by extremely competent non clinical staff who aide a GPs working day making treatment time as streamlined as possible. Medina Healthcare are an admin light surgery which also assists GPs with keeping to start and finish times in session.

Medina Healthcare is a family focused surgery who can offer flexibility to working clinicians by way of early/late starts and early/late finishes to fit in with school drop offs etc.

With no pending retirements or clinical staff leaving any time soon, the team is in a very stable condition and you will be joining a team who are high achieving and have been rated as Good by the CQC.
